

#### Are You Living on “Low Battery”?

We live in an era where our phones are charged, but our souls are empty. We are tired, confused, and constantly running—yet arriving nowhere.

The Origin Code™ is not an ordinary “Self-Help” book. It is an Energy Manual.

Author and Visionary Gurumukh P. Ahuja has synthesized the science of Nikola Tesla, Ancient Tantra, and Modern Psychology to create a revolutionary framework—EFV (Energy, Frequency, Vibration).

In this book, you will learn:

- The Battery Science: How to stop energy leaks and stay charged 24/7.
- The Kriya Code™: 100 habits that ‘Drain’ you and 100 habits that ‘Supercharge’ you.
- Bhairav Dhyan™: The secret 40-minute technique to eliminate fear and anxiety forever.
- Wealth Frequency: Stop chasing money and start attracting it.

This book will not just inspire you; it will repair your DNA. Are you ready to shift your frequency?

*“The language of the universe is not words, it is Vibration. Change your Vibration, Change your Life.”*
